

Product Name :
Auto Carton Coder for Taping Machine

Product Code :
BFCM0022

Description :

Auto Carton Coder for Taping Machine

Technical Specification :

Capacity 20 per minute

Print Speed Friction Type

These Auto Coders are easy to use large character printers for on-line printing on corrugated master cartons. The message to be printed is very easily composed by just push fitting the grooved stereotypes (easily changeable) on to the groove ring drum. The inking system consists of a rechargeable ink cartridge, which can be used for porous and non-porous surfaces. When the carton passes in front of the coder, the drum rolls & the stereotypes automatically get inked & print very clearly on the substrate in one action. When the carton has passed ahead, the print drum automatically rotates back to the zero position due to the inbuilt spring action, ready for the next printing which will be from the start of the message at the same position.

Features:

- Automatic registered coding of packaging information on cartons moving on automatic conveyors or taping machines.
- A message can be composed and marked in minutes. Even unskilled worker can easily use the machine.
- It is equipped with a tension spring that returns the marker to its zero position after every stroke. In the process the type gets re-inked as it passes below the ink roller and is ready for use again.
- It is equipped with a large capacity, long lasting ink roller, which is especially formulated to release uniform quantity of ink for each impression without need for frequent re-inking.
- Special grooved alphanumeric rubber stereo set consisting of A to Z, 0 to 9 & symbols, all in multiple

quantities & size from 3 mm. to 58 mm., for easy message composing are available. No need to maintain an inventory of stencils or pre-printed labels for your shippers.

- Logos, emblems, monograms, composite strips, etc. can be made to order as per your design and artwork.

Customized size and specification as per your drawing or sample. We Auto Carton Coder for Taping Machine suppliers UAE Dubai, can make the Auto Carton Coder for Taping Machine as per your request, specification, size and bulk quality Dubai.
