**Product Name :**  
Blister Packing Machine

**Product Code :**  
BFCM0039

**Description :**

Blister Packing Machine

**Technical Specification :**

Capacity 1000 per hour  
Power 1000 Watt  
Automation Grade Semi-Automatic  
Power Source Hydraulic

Blister Packing Machine ideally suited for the packaging of toys, medicines, spare parts etc. Available in various technical specifications such as, net weight of 70, these undergo excellent finishing in various industry specifications. Finally, these machines are easy to install and operate.

|                                   |                   |
|-----------------------------------|-------------------|
| Voltage (V/Hz)                    | 220/50            |
| Pressure Board Area (mm)          | 500 x 300         |
| Turntable Diameter                | 1000              |
| Max. Package Height (mm)          | 150               |
| Max. Conveyor Loading (kg)        | 110               |
| External Dimension (L x W x H) mm | 1000 x 510 x 1410 |
| Net Weight                        | 70                |
