Product Name :
Big Size Band Saw Machine

Product Code :
UAEPMS0005

Description :

Big Size Band Saw Machine

Technical Specification :

The machine is designed for cutting large frozen fish.
Since the band saw is hidden in the housing except for the cutting part, it is safe for the operator.
The material of manufacture is stainless steel, which guarantees high strength of the machine and the possibility of long-term operation in a salty and moist environment.
Even with prolonged use, the band saw saves high quality processing.
