Product Name :
Small Band Saw

Product Code :
UAEPMS0006

Description :

Small Band Saw

Technical Specification :

The machine is designed for cutting frozen fish, fish blocks or frozen meat into pieces of the required size. The machine is easy to operate, thanks to this, no specially trained personnel are required. Since the main part of the band saw is hidden in the case – it is safe for the operator. The material of manufacture – stainless steel – guarantees high strength of the machine and the possibility of long-term operation in a salty and moist environment. Even with prolonged use, the band saw keeps high processing quality.
