Product Name :
Fish Cutting Machine at an Angle

Product Code :
UAEPMS0010

Description :

Fish Cutting Machine at an Angle

Technical Specification :

The fish is cut into pieces very accurately, because during cutting it is fixed in the groove.
The cut pieces look large, as they are incised.
The device is easily dismantlable, it is possible to adjust the width of the cutting.
The machine is made of stainless steel, durable, and also meets all sanitary standards.
