Product Name :
Auto Frying Machine

Product Code :
UAEFRY0001

Description :

Auto Frying Machine

Technical Specification :

In these models, in the technological roasting mode, an infrared heater is used. Using an infrared heater can reduce the rate of oxidation of the oil and increase the period of its use. These machines are easy to operate. One operator is sufficient for maintenance. Machine frying Machines are suitable for use in public catering establishments and in restaurants. The machines are made of stainless steel and meet high sanitary and hygienic standards.

Customized size and specification as per your drawing or sample. We Auto Frying Machine suppliers UAE Dubai, can make the Auto Frying Machine as per your request, specification, size and bulk quality Dubai. Auto Frying Machine Suppliers UAE, Exporters Dubai
