Product Name :
Small Vacuum Packaging Machine Manufacturers

Product Code :
UAEFOPM0004

Description :

Small Vacuum Packaging Machine UAE

Technical Specification :

The small vacuum packaging machine can automatically extract the air in the packaging bag and complete the sealing process after reaching a predetermined vacuum degree. It can also be filled with nitrogen or other mixed gases, and then complete the sealing process. Small vacuum packaging machines are often used in the food industry, because after vacuum packaging, food can resist oxidation, so as to achieve the purpose of long-term storage.
