Product Name :
Automatic CSD Drinks Filling Machine

Product Code :
EQUP-UE-CBF002

Description :

Automatic CSD Drinks Filling Machine

Technical Specification :

This product is suitable for juice filling line. The design of the lower cam makes the body more stable. The bottle bottom drags the bottom of the glass bottle to ensure the safety of filling. The part that wants to contact with the glass bottle adopts plastic parts, which reduces the damage rate of the bottle.
