Product Name :
PVC Block Pallet

Product Code :
EQUP-UE-BLK0004

Description :

PVC Block Pallet

Technical Specification :

PVC block pallet for concrete block is a kind of pallets for drying the unburned blocks. It is a new emerging pallet, featuring high strength, steam resistance, impact resistance, shock resistance, water absorption resistance, deformation resistance, cracking resistance. We have used more advanced technology and equipments, based on Polyvinyl Chloride resin as main material with special proportional additives to ensure the long span lift during block producing.

Density: 1.8g/c m³

Bending Strength: More than 60N/mm²

Flexural Modulus: More than 4.5×10³Mpa

Impact Strength: More than 60 KJ/m²

Absorption: Less than 0.5%

N/mm²: More than 40

Temperature tolerance: 75 °C

Surface wear: Less than 0.04g/100r

Customized size and specification as per your drawing or sample. We PVC Block Pallet suppliers UAE Dubai, can make the PVC Block Pallet as per your request, specification, size and bulk quality Dubai.

PVC Block Pallet Suppliers UAE, Exporters Dubai
