Product Name :
Best Type Of Solar Panel For Home Use

Product Code :
EQUP-UE-SAC0010

Description :

Best Type Of Solar Panel For Home Use

Technical Specification :

Easy to be installed in large-scale:high energy density, facilitate to reduce installation time and BOS cost.
one of the industrial most-trusted modules:excellent performance which has undergone on-site verification in the field,powerful and trustworthy supplier.

durable to severe environmental conditions:wind load of 2400Pa;snow load of 5400Pa;heavy hail of 25mm,with speed of 82km/hr.

high durability:use tempered glass of 3.2mm,increase the module's durability.

Solar panel parameter

Battery chip:poly/mono

Battery chips quantity(pieces):60/72/96

Battery module size:1640*992*40mm

Module weight:17.5kg

Cover glass:3.2mm high transparency toughened

Frame:anodized aluminum

Customized size and specification as per your drawing or sample. We Best Type Of Solar Panel For Home Use suppliers UAE Dubai, can make the Best Type Of Solar Panel For Home Use as per your request, specification, size and bulk quality Dubai.
