Product Name :

12v Battery

Product Code :

EQUP-UE-BTR0004

Description :

12v Battery

Technical Specification :

High-strength ABS plastic battery slot and cover, compact structure. good resistance.

Special lead-based multi-alloy grid, with small internal resistance and corrosion resistance.

good opacity, strong charge acceptance.

New electrode plate manufacturing process, high utilization rate of active materials.

Multi-layer sealing technology and special sealing glue ensure no leakage, no acid mist.

For telecommunication: car phones, mobile telephone systems, portable radio transmitters and portable terminals.

For survey and medical service: Portable measuring instrument, sphygmomanometer, electrically operated wheelchair.

For office: universal UPS, office computers, computer terminals and DOS operation system.

For communication: key pad telephone, PHS relay stations, telephone exchanges, cable TV and fiber-optic communications equipment

For security: burglar alarm system and abnormal alarm system.

For industrial use: emergency lighting system.

Customized size and specification as per your drawing or sample. We 12v Battery suppliers UAE Dubai, can make the 12v Battery as per your request, specification, size and bulk quality Dubai.

12v Battery Suppliers UAE, Exporters Dubai
