**Product Name :**  
Automatic Tilting Washer Extractor

**Product Code :**  
EQUP-UE-LWS0001

**Description :**

Automatic Tilting Washer Extractor

**Technical Specification :**

Automatic tilting washer extractor is developed based on automatic washer extractor, which can save labor and cost a lot. It is widely used in hotels, restaurants, hospitals, washing factories, garment factories, industrial&mining enterprises etc.

Automatic tilting, suspension shock absorbtion, frequency speed control, convenient unloading.

Touch screen type programmable microcomputer control is adopted, large screen dot matrix LCD display, interactive interface, has the function of balancing, washing, disinfecting, rinsing, bleaching, extracting.

Frequency speed control is adopted, which makes the machine running stable and low power consumptive. Four extracting speed choices can meet requirements of different clothes. Suspension shock absorbtion, which makes the machine running stable and install with no foundation.

Inner drum is cylinder type which make worker loading convenient. The door can be open and close automatically, so does the tilting when unloading.

Pneumatic control of valve is adopted makes machine fast reaction and reliable. It uses twin-tube drainage, so water draining is fast and causes no pollution.

It is made of high quality stainless steel which is anticorrosive and durable.

Customized size and specification as per your drawing or sample. We Automatic Tilting Washer Extractor suppliers UAE Dubai, can make the Automatic Tilting Washer Extractor as per your request, specification, size and bulk quality Dubai.
