Product Name :
Barrier Washer Extractor

Product Code :
EQUP-UE-LWS0003

Description :

Barrier Washer Extractor

Technical Specification :

Computer-controlled, automatic/manual, big washing capacity, good washing effect, beautiful appearance. Flexible shockproof technology, low noise and shake. Frequency control, ease of operation, low energy consuming. It divides the laundry room into two separate independent operating areas, via.: "Clean" area and "Non-Clean" room. Launderettes will be loaded into the washing machine through the door from the "Non-Clean" room. After washing, unloading will be from the "Non-Clean" room polluting the "Clean" room. Therefore, it prevents the clean launderette from being contaminated and infected again. It can be widely used in the laundries of hospital, food and pharmaceutical factories, nuclear power stations and so on, where extreme bacteria-free and dust-free environmental requirement are needed. Customized size and specification as per your drawing or sample. We Barrier Washer Extractor suppliers UAE Dubai, can make the Barrier Washer Extractor as per your request, specification, size and bulk quality Dubai.
