Product Name :
Post Hole Digger

Product Code :
EQUP-UE-APD0002

Description :

Post Hole Digger

Technical Specification :

It is great choice for medium-duty digging jobs to do in soft loam soil or even clay-based earth
This commercial-grade post hole digger has two durable reinforced heavy-duty fiberglass handles with a triple wall construction
This digger's 47-inch extra-long handle is designed to reduce strain on your back and increase that much-needed leverage when you need to work in tough outdoor conditions.
the tempered steel head can break through the densely-packed soil, which makes this post hole digger the ideal tool for quickly digging 3 foot deep holes for fence posts, plants and other digging applications.
Customized size and specification as per your drawing or sample. We Post Hole Digger suppliers UAE Dubai, can make the Post Hole Digger as per your request, specification, size and bulk quality Dubai.
