Product Name :
Durable Top Technology Gasoline Reusable Concrete Power Trowel

Product Code :
EQUP-UE-FCE0003

Description :

Durable Top Technology Gasoline Reusable Concrete Power Trowel

Technical Specification :

Famous engine ,excellence performance,easy to start.

Max module transmission ,aluminum alloy box,free maintenance,long lifetime.

Blade arm support, and strictly heat-treated structural steel,which is sturdy and durable.

centrifugal clutch driving mechanism,which has the advantages of large transmission torsion torque and long serving life,easy maintenance.

POWER: 16.2

Engine type

Blade speed: 75-150

Blade: 355*150

Disc diameter: 970

WROKING WIDTH: 1900

Ride-on operation reduces intensity of labor and increases efficiency of work

With dual rotor,much heavier weight and much better compaction, the efficiency is higher than walk-behind power trowel

A non-overlapping is designed for two pans working

Mechanism type steering system with rapid response and easy control

A strong power supplied by gasoline engine(electric start)

Safety switch can shut off the engine immediately and ensure the maximum security

Customized size and specification as per your drawing or sample. We Durable Top Technology Gasoline Reusable Concrete Power Trowel suppliers UAE Dubai, can make the Durable Top Technology Gasoline

Reusable Concrete Power Trowel as per your request, specification, size and bulk quality Dubai.
Durable Top Technology Gasoline Reusable Concrete Power Trowel Suppliers UAE, Exporters Dubai
