**Product Name :**  
4-Step Stool Ladder Portable Folding Anti-Slip

**Product Code :**  
EQUP-UE-LDR0003

**Description :**

4-Step Stool Ladder Portable Folding Anti-Slip

**Technical Specification :**

**STURDY CONSTRUCTION:** The 4-steps ladder was constructed out of stainless steel with premium screws for ultimate durability while retaining lightweight portability. The well-constructed ladder can withstand the maximum weight load of 330lbs/150kg.

**ANTI-SLIP & ANTI-SCRATCH:** Each step features anti-slip treads to ensure maximum safety during operation. The base of the ladder is equipped with rubber stabilizing protective paddings to protect floor from scratches and to achieve optimal security.

**PORTABILITY:** Pre-assembled frame design was implemented to allow for undemanding instant setup and fold down in literally seconds. It's perfect for projects around the house as well as business use.

**SUPPORT PROTECTION:** Featured wear-resistant collodion coatings prevent scratching damages that can be inflicted on walls and other support structures when the ladder is leaned against them.

**DIMENSIONS:** The overall dimensions of the 4-step ladder are 17.3 x 27.6 x 55.7 in(L x W x H), and the folding dimensions are 19.6 x 3 x 59.4 in(L x W x H).

Customized size and specification as per your drawing or sample. We 4-Step Stool Ladder Portable Folding Anti-Slip suppliers UAE Dubai, can make the 4-Step Stool Ladder Portable Folding Anti-Slip as per your request, specification, size and bulk quality Dubai.
