Product Name :
Nugget Preduster

Product Code :
UAENGT0013

Description :

Nugget Preduster

Technical Specification :

Belt width: 300mm

Belt speed: 7m/min(optional Frequency conversion)

Power: 1.35kw

The electricity: 380V/50Hz,3P,415v,220v,3p

Input height: 710?770mm

Output height: 730?800mm

Weight: 220kg

Overall dimension: 2000x880x1420mm

Air volume valve?

Distribution box

Blower fan

Power feed port

Press roller:pressing roller deign can help to coat the products and can regulate the thickness of the coating
