Product Name :
Expandable Plastic Road Safety Barrier

Product Code :
UAETRIC120006

Description :

Expandable Plastic Road Safety Barrier

Technical Specification :

Expandable Plastic Road Safety Barrier
Crowd Control Road Barrier
Xpdit Plastic Barrier for road safety
Temporary plastic barrier, portable plastic barrier, barricade

MULTI-GATE

A portable high impact and temperature resistant plastic expandable barricade designed to quickly render areas safe for both crowd control and vehicles. Manufactured from High Density Polyethylene recycled material gives this barricade the strength and durability for any use. There is highly visible reflective tape on four sides achieving exceptional visibility. The Multi-Gate expands 90 inches and locks in place at any desired length. There is a place to attach a reflector unit and an option to fill with water.

Features:

Quick and easy set up
Lightweight
Easy to carry & store
Impact and Temperature resistant
Vehicle and crowd control
Locks in position at desired length
Block off area with safety tape slits
52 reflective strips for exceptional visibility

Option - attach reflector unit
