Product Name :
Electric Glass Lift Equipment Vacuum Lifter

Product Code :
UAEFCE30005

Description :

Electric Glass Lift Equipment Vacuum Lifter

Technical Specification :

Integrated control system secures quick and automatic positioning vertically and horizontally by a single push on a button.

Reliable actuators for lifting, extension and tipping. efficient and precise. Self propelling, various circuit vacuum suction.

Attractive price, staff saving, strong improvement of working environment.

Max. Capacity: 350kg

Safe Capacity: 175kg

Lift Height: 3000mm

Battery: 2x12V/70A

Charger: 24V/10A

Drive motor: 24V/500W

Lift motor: 24V/2000W

Cap Diameter: 250mm
