

Product Name :
Automatic Double Side Sticker Labeling Machine

Product Code :
LPCK0004

Description :

Automatic Double Side Sticker Labeling Machine

Technical Specification :

Accuracy +/-1 mm
Automatic Grade Automatic
Bottle Type PET/HDPE/Aluminum/ Can
Condition New
Phase 1phase
Voltage 230V AC
Speed 100/200/300 BPM

Automatic Double Side (front & back) Sticker Labeling Machine

At prior day names in jug were connected without making utilization of jug name utensils. This was because of the reason that amid those days the interest for jugs was less and there were just few organizations that were doing their fluid business through containers. Consequently the interest for jugs was very reasonable and individuals were not stressed over the deficiency. Be that as it may, now in this present situation the interest for jugs is high in business sector. Has the interest has expanded for them the interest for names has likewise expanded in a more noteworthy pace by Automatic Double Side (front back) Sticker Labeling Machines.
