

## Product Name : Packaging Machine

#### Product Code : STSM00032

#### **Description :**

**Packaging Machine** 

#### **Technical Specification :**

Machine Type Semi-Automatic Condition New Packaging Material Wood Voltage 220 V Capacity Veriable,Variable Power 7 to 8 kw Power Consumption 3 phase Dimension 5 feet x 24 inch

Sealing system for accurate seal and cutting. The machine is highly reliable and provides years of dependable service. These Machines find applications for Stationery, Sweets, Gift Packets, Confectionery, Welding Rods, Bottles, Cosmetics, etc

### Features:

- Heavy Duty Electronic Timer
- Adjustable working platform and height for various products size.

6-8 pouch per minute

Seal Area	Power Con.	Power	Mec. Dia.

15" X 10"	0.5 KW	230 V	1041X406X1219 mm	
20" X 15"	0.8 KW	230 V	1270X610X1372 mm	
25" X 20"	0.9 KW	230 V	1397X737X1372 mm
